

SCHLITTERBAHN® OUTREACH

Did you know that

Schlitterbahn employs 250 international students

each summer? We are looking for committed individuals to “adopt” one student, or several. This is great opportunity to “LOVE NB” and reach the world at the same time. The goal is to show them the love of Christ through our actions by investing our time with them.

Adoption Ideas

- Take them to the store
- Show them around town
- Have them over for a cookout
- Take them to the Outlet Mall in San Marcos
- Host a game night
- Let them do their laundry at your home

The students usually have only one day a week off and no transportation to get around. This is wonderful opportunity to minister to an international group without ever leaving town!

Please contact Tamera Schultz to sign up or learn more.
